The Physics of Metals and Metallography is a cover-to-cover translation of *Fizika metallov i metallovedenie* and is published monthly by Pergamon Press in collaboration with the Board of Governors of Acta Metallurgica.

Issued monthly. Two volumes per annum consisting of six issues each and containing approximately 200 pages per issue.

Publishing and Advertising Offices

Pergamon Press Ltd., Headington Hill Hall, Oxford OX3 0BW, England
Pergamon Press Inc., Maxwell House, Fairview Park, Elmsford, NY 10523, U.S.A.

Annual Subscriptions (1983) are:

To Libraries, Research Establishments, all other multiple-reader institutions and individuals $550.00 *including postage and insurance. Two year subscription rate (1983/1984):* $1045.00.
To members of co-operating and sponsoring societies of Acta Metallurgica, $25.00 *including postage.*

Subscriptions are only serviced after payment has been received, and are not accepted for less than one year.

Subscription enquiries from customers in North America should be sent to: Pergamon Press Inc., Maxwell House, Fairview Park, Elmsford, NY 10523, U.S.A., and for the remainder of the world to: Pergamon Press Ltd., Headington Hill Hall, Oxford OX3 0BW, U.K.

Microform Subscriptions and Back Issues:

Back issues of all previously published volumes are available in the regular editions and on microfilm and microfiche. Current subscriptions are available on microfiche simultaneously with the paper edition and on microfilm on completion of the annual index.
